Spring Break Adventures

If your child is looking for a little fun and excitement this spring break, then they'll love this 2-day program!

Groups are designed not only to be inclusive and fun for all children, but they are also structured to improve self-confidence, social skills and resiliency.

On the first day, kids will be **Shipwrecked** and they'll have to work together to Escape the Cabin, Build a (Pasta) Fort, and traverse the Jungle Obstacle Course.

The second day we'll explore our creative sides with a few **Artful Antics**. We will build kites, do a scavenger hunt and even learn to make playdough.
